

Abdul Refrigeration Centre

<https://www.abdulrefrigeration.com/>

We are one of the leading manufacturers and exporters of a range of commercial kitchen equipment, refrigeration equipment, food display cases, water cooler and others. Our range is acclaimed for its noise free operation and corrosion resistance.

About Us

We **Abdul Refrigeration Centre**, established in the year **1988** at New Delhi, Delhi, Abdul Refrigeration Centre is one of leading manufacturers and exporters of an assortment of Water Cooler, Juice Dispenser Machine, Popcorn Machine, Tea/Coffee Vending Machine, Kitchen Equipment, Beverage Vending Machines, Commercial Deep Freezers, Commercial Refrigeration Equipment, Hospitality Equipment, Ice Cream Machines And Others. We are also in to the distribution of cold / hot vending machine of Godrej Company. These are extensively used in the application areas including ice cream industry, hotels, restaurants, motels, hospitals and many others. We export our products in **India Subcontinent, East Europe, East Asia, Central America, Middle East etc**

The insight, leadership and hard work of our mentors **Mr. Abdul Shahid Khan and Mr. Shawaiz Khan** (chairman) have helped us to achieve a consistent growth in the industry. Under their guidance, we have developed a skilled team, they always assist us in achieving our targets. As per the customer specifications, we can offer our collection in various specifications. These items are effectively packaged by our packaging experts and we deliver these to our patrons swiftly. These reasons have helped us to achieve a large client base in India and in the international market.
